**Correspondence In/out:** See attached

**Tabled** Alison;

**Seconded** Annie

There was some discussion about the price of the sausage sizzle for the up-coming BBQ at the K-2 school Athletics Carnival on Friday. No onions, buy bread from Coles and sell more for \$2.00 rather than \$3.00.

**Treasurer's report:** Report from August/September 2015-10-14 See attached

**Tabled** Alison;

**Seconded** Annie

**Canteen/Uniform Report:** See attached

**Principals Report:**

Fitness track is a work in progress- waiting for soft fall surface. Need three (3) quotes.

Chaplaincy program applications need to be in by Friday the 16<sup>th</sup> September. Kerry has started the application.

PBL flags are generating positive feedback from the school community.

Thanks to Leigh and Tracy for a great job while I was on leave.

Mr Smith is going to take up a permanent position at Strathfield North in 2016.

Flashing lights are being installed in Woolana Avenue.

Bilby Bash was a success. Thank you to Transfeld who support this.

Burang Burang group may be able to assist in finishing the Indigenous garden.

Year Six (6) graduation photo's are tomorrow.

**General Business:**

Gosford Tailoring – stock left over that they [Leanne?] said Cheryl would purchase. Decided that we would not purchase, as the stock would be out dated and the agreement was too many years ago.

**Business arising from the Executive meeting;** Minutes attached.

- P&C would like a flag that lets community know that we (the P&C) are active within the school.

Annie spoke about Office Works and how to get a flag from them.

Vista Print was raised by Anna Soccio.

- Badges were discussed for the P&C Executive. Generic badges were discussed. Annie will make up some badges for Friday.
- The fitness track was discussed in relation to the P&C having more in-put into decision making before finalising and installation of such items that they contribute to.

Kerry said the school paid for the current “F/T”, however, there is some school play equipment that needs to be refurbished/replaced. Maybe that could be a fundraising goal for the P&C.

- P&C would like to do more fundraising to promote and enhance school and community as one entity in a more positive way.

A Scooter-thon was mentioned. Kerry said that she had given the previous P&C information about this, but it was never acted upon. She has no objection to this.

Several Fundraising options were discussed, including a Fete, White Elephant Stalls and a Car boot Sale. Kerry appeared to favour a car Boot sale over the other options as it meant that the school would not have to get ‘rid of’ left over items.

Kerry also reminded the meeting that the P&C could use the BBQ’s at 1<sup>st</sup> Choice liquor at Charmhaven to fundraise.

- Alison was to follow up on un-paid P&C funds for volunteers in the canteen as these contributions are essential for insurance purposes and P&C Federation information.
- Dale apologised for not being able to be present for the BBQ on Friday, due to work commitments.

**Meeting Closed:** October 13<sup>th</sup>, 10:20 am

**Next Meeting:** November 10<sup>th</sup> at 7.00pm, in the Library.
