Stage 1 Living World Excursion

Dear Parents and Caregivers,

In our science unit, students have been learning about living things. They have been identifying the external features of plants and animals and exploring their habitats. Students have an amazing opportunity to discover local animals, plants and life cycles at the National Park, Girrakool. The program aims to provide students with an experience that will expand their knowledge of living things and encourage ongoing appreciation of wildlife.

Privacy Notice

The information provided on this form by you is being obtained for the purpose of this excursion. It will be used by the NSW Department of Education and Training in the case of emergency. Other persons and or agencies may be provided with this information for the purpose of emergency care. Provision of this information is required by law. It will be stored securely. You may correct any personal information provided at any time by contacting 43990167.

Medical Disclaimer

Parents please note there is no personal injury insurance provided by the NSW department of Education and Training for students in relation to school activities, physical education lessons or any other school activity. Parents and caregivers are advised to access the level and extent of their child's involvement in the sport program offered by the school, zone, area and state school sport associations when deciding whether additional insurance cover, above that provided by Medicare, is required.

The NSW Supplementary Sporting Injuries Benefits Scheme, funded by the NSW Government, covers any injury resulting in the permanent loss of a prescribed faculty or the use of some prescribed part of the body.

Medical Information Form – Stage 1 ‘Living World’ Excursion

The information provided by the parents/caregiver of the child mentioned below is being obtained for the purpose of ascertaining the relevant information, requirements and other health care related needs about the child mentioned below, who is currently enrolled at the school and who may participate in school excursions, sporting activities or other educational or school activities conducted by or in conjunction with Budgewoi Public School. It will be used by officers of the NSW Department of Education and Communities to assist planning, to support students, and to minimise risks when conducting school excursions, sporting or other school activities. Other persons or agencies that may be provided with this information include, but are not limited to, volunteers and members of external organisations who join with the school or are otherwise involved in the planning or delivery of the excursion, sporting or other school activity; and persons that may be called upon to provide health care treatment or other assistance during or as a consequence of such excursions or activities. Provision of this information is not required by law, however, a failure to provide the information may mean that your child cannot participate in a particular excursion or school activity. In such circumstances the school will make available a sound alternative educational experience. Provision of this information will significantly assist the school in planning a safer educational activity. It will be stored securely. If you have any concerns about provision of this information, please contact the school Principal to discuss further. You may correct any personal information provided at any time by contacting the school office.
