School Leaders Induction Ceremony

Dear Parents and Carers,

Your child has been successful in gaining a leadership position within the school this year, We would like to invite you to attend our School Leaders Induction Cermeony. The ceremony will take place on Friday 26th Febuary at 10:30am.

This date is later than we first anticipated, as we were hopeful for an easing of current COVID restrictions by this time. At present, a maximum of 1 family member per individual student is able to attend.

During the ceremony, students will be given their leaderdhip badges and you will be invited to pin their badge on.

After the ceremony we would like you to enjoy morning tea in the hall with your child, the student leadership team and their families.

To ensure we are in line with current COVID restrictions, we ask that you RSVP by **Monday 22nd February 2021** by filling out the form below and returning it to Mrs MacPherson.

We are looking forward to celebrating this wonderful occasion with you and your child.

Kind Regards,

Mr Nathan Forbes

Principal
